THE MARRIAGE PREPARATION COURSE 2018

WHAT IS THE MARRIAGE PREPARATION COURSE?

The Marriage Preparation Course is a series of five sessions designed to help you develop strong foundations for a lasting marriage, covering:

- The importance of commitment
- Expressing feelings and learning to listen
- Resolving conflict
- Keeping love alive and developing a fulfilling sexual relationship
- Talking about goals and values

The course is for any engaged couple who want to work at having the best possible start to their marriage.

It doesn't matter how long you have been engaged -some couples have set a wedding date, while others have not.

This bible-based course is designed to help a man and woman who are getting married to think about, and develop, strong foundations for a lasting marriage. While based on Christian principles, these sessions are relevant and helpful whether or not those attending have a Christian faith or church background.
