Autumn & Winter 2018

Rooted - Sundays 10.30-11.45am

Rooted is the youth group at St Michael's Church, Chester Square. Come along if you're in years 9 - 13. You're welcome if you've never been to church before, or if you go every week. It's a place to hang out, have fun and explore the adventure of following Jesus.

SAVE THE DATES

Reboot

A day conference for young people to ask and hear answers to some of the big questions they have about the Christian faith. Get in touch to go with Abby and Joseph. *Central Hall, Westminster, 10am-5pm, 22 September*

Soul Survivor Saturday Celebration

An excellent time of teaching and worship which will enable the group to experience a taste of Soul Survivor outside of the summer camps. Sophie and Robin will have space in their car. *Watford, 5pm, 27 October*

More details will come closer to the events, but if you have questions just email us at rooted@stmichaelschurch.org.uk

Instagram

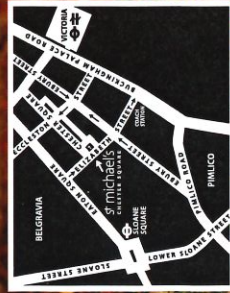

We know not everyone has Facebook, so this term we're bringing the Rooted Instagram account back to life. It's a place for the young people to get updates, engage with the content from Rooted sessions, and look back at memories from times shared exploring the adventure of following Jesus.
