

IN-PERSON SUNDAY SERVICES COVID MEASURES

- **We have reduced capacity in the church in order to comply with social distancing requirements.** To ensure that you have a seat, **please sign up in advance for the services.** Please include ALL members of your household (including children) who will be attending by clicking 'add additional person' at the bottom of the form.
- Everyone over the age of 11 is required to **wear a face covering** (unless exempt) so please remember to bring one with you.
- **We are required to keep records of everyone who attends church** for test and trace purposes. Please arrive promptly to allow time to queue and check in on arrival.
- **Please wash your hands or use the hand sanitiser provided** when you arrive.
- Please **follow the directions of our stewards** to ensure that we comply with all the relevant rules and guidance. You should go straight to your seat and sit down when you arrive.
- **Please supervise your children and keep them with you at all times** to maintain social distancing. The 9:30 service is short, child friendly and aimed at families, so is the one to bring young children to. There is no provision for children in the 11am service so, if you plan to bring older children to that service, please also bring something to keep them entertained.
- **Please leave promptly after the end of the service**, following the directions of the stewards to a suitable exit. Since we are not permitted to serve coffee in church or stay and chat, why not make a plan (subject to the Covid guidelines) to go for coffee (or lunch) with others from church after the service?
- **Please maintain an appropriate distance (1m+) from others at all times.** Please leave at least 2 empty chairs between you and anyone not in your family or bubble.
- **If you, or anyone you live with have any symptoms of Covid (high fever, new continuous cough or loss of or change in sense of taste or smell) please do not come to church.**
